Easy Payments from Anywhere in the World

Trusted by thousands of clients and their customers around the globe, Flywire is the safest, most convenient way to make a payment to KnowBe4.

A better experience for payers

Avoid unexpected fees
Unexpected bank fees can result in a short balance when payment is complete. Flywire ensures your payment is delivered in full every time.

Pay in your currency of choice
Transact locally in your preferred currency, avoid unnecessary international fees, and receive favorable foreign exchange rates.

Track your payment
Receive email and text updates on your payment's status, or create a Flywire account to track your payment in the online portal.

Get around-the-clock payment support
For questions about your payment status, take advantage of multilingual support via phone, live chat, or email.

Why KnowBe4 uses Flywire

Easy payment identification
Flywire streamlines all incoming payments into a single dashboard. Whether payments are in different currencies, methods or from different locations, KnowBe4 is easily able to identify and match payment to your account.

Payment visibility
KnowBe4 can follow your payment from initiation to delivery into their account.

Global offerings
Flywire's extensive global payment network offers a variety of local payment options in one centralized location. This provides payers with flexibility, security and a regional variety of payment options.
