Dear Mr. Sjouwerman:

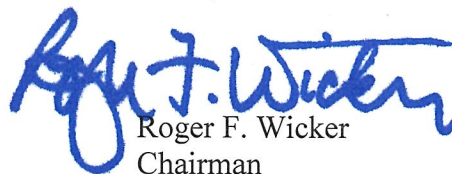

The Senate Committee on Commerce, Science, and Transportation's Subcommittee on Manufacturing, Trade, and Consumer Protection will hold a subcommittee hearing, entitled, "Protecting Americans from COVID-19 Scams," on Tuesday, July 21, 2020, at 2:30 p.m. in room G50 of the Dirksen Senate Office Building. As Chairman of the Committee, I invite you to testify.

This hearing will examine the troubling rise of scams related to the COVID-19 pandemic. By raising awareness of these new scams, this hearing will help Americans know what to look out for to better protect themselves against fraudsters, cybercriminals, and other bad actors in the marketplace. Witnesses will provide the Subcommittee with insight into COVID-19 scams, the ways businesses and federal and state government entities are combatting them, and what more can be done to protect the public.

Please submit your written testimony on these themes to the Committee at least two business days before the hearing. While your full statement will be made part of the hearing record, I ask that you limit your oral remarks to five minutes. Attached to this letter are more detailed instructions for Committee witnesses, including directions for submitting an electronic copy of your testimony.

If you have any questions, please contact Olivia Trusty with the Republican staff at (202) 224-1251 or Jared Bomberg with the Democratic staff at (202) 224-0411. Thank you for your consideration of this request.

Sincerely,

Roger F. Wicker
Chairman
